### Trumpet Call to the Nations:

#### Geneva Summit Summary (if possible...!?!):

*"In that day the Lord of hosts will be for a a crown of glory and a diadem of beauty to the remnant of His people, for a spirit of justice to him who sits in judgment, and for strength to those who turn back the battle at the gate." Isaiah 28:5-6*

When describing the recent Transform World Geneva Summit, June 9-15th it is hard to put into words. On the historic heels of the 70th anniversary of D-day (June 6th), "Passing through the gate" may be a thought for consideration. Our fervent prayer for the summit was that we would be much more connected "in the heart" and out of that everything else will flow. We truly believe God answered that prayer. He knew what we needed and had most unusual ways of

achieving it. God's ways are not our ways, but they are always the best ways. From the building of a strategic memorial altar as a prophetic act at the "Reformation Wall," to a somewhat wondrous journey to a Chateau in the French hillside, to presentations surrounded in worship and prayer, God took delegates from glory to glory. Laughter was frequently encountered along with tender, heartfelt tears as people met and ministered to one another.

With the reality of the enormity and complex nature of the world we live in expressed through the challenges, spheres, and regions, the issues were released through many powerful and poignant moments before the Lord. Prayer and worship intermingled the presentations releasing the issues under His feet. At one point three major streams of the 24/7 prayer movement led in worship, Burn 24/7, IHOPKC, GBI (Indonesia). **Participants actually experienced the power and impact of the Tabernacle of David.**

The import of taking the challenges we face before the Lord was accentuated by a low flying jet interrupting the North American regional presentation. Such incidents cannot and should not be easily cast off. Low flying war jets are daily a reality in nations like the Ukraine, Israel, Egypt...but in the middle of France, in the morning, directly over our heads????! Interestingly, it happened right after the report from the Ukraine (the East) where war is rising and during the North American presentation from the West. What was the message? In discussions with several others, we sensed it was a distinct wake up call at the very least. Time is short. War is rising and it will come from the East to the West (it is already happening!). Things are going to happen suddenly both from God and from the enemy. Do not mistake the import of the times and that we must press forward for the sake of His Kingdom. **The trumpet has sounded!** It was a direct message to awaken the church with visionary focus, and empowered mobilization forward.

As poignant moments, worship and prayer helped refresh and strengthen the participants, the summit came to a close with joyful dancing. The breakdown of divisions through love and deepening relationships was poignantly demonstrated as people from across the nations joined together in dance, even an Egyptian coptic priest danced to Israeli music. Joy filled the atmosphere. The summit closed with a deeply moving and powerful prayer for those in the persecuted church.

Truly a remarkable summit that was transformational for us all. God knew what we needed and had most unusual ways of achieving it. We are all better, more connected, and more transformed because of it. People left exhilarated, encouraged, and empowered into their call and gifting. The year

of the door is really happening and a gateway has opened. God even sent a sign of a double rainbow forming a gate. If you look closely, you may even see a head and shoulders in the gate...for you to decide. Below is a summary "take home" message from the summit:

- War is rising...storms are on the horizon and will be intensifying, but

*"Proclaim this among the nations: Prepare for war! Rouse the warriors! Let all the fighting men draw near and attack."*

War is rising. In Ecclesiastes, the wise teacher Solomon stated there is a time for everything, including war (Ecc. 3). The sons of Isaac were those who rightly knew how to discern what times they were in. *"Strengthen the weak hands, and make firm the feeble knees. Say to those who are fearful hearted, 'Be strong, do not fear! Behold, your God will come with vengeance, with the recompense of God; He will come and save you. THEN*

the light of His Presence, plans, and purpose will become increasingly strong and powerful through prayer and worship

- We are in times when it is vital to be purposefully linked. The stronger the relationships, the stronger the Kingdom advance.
- When encountering the storms and chaos, look beyond the mess to the Messenger, He will make a way and it will always be better than our ways.
- Things will happen fast both from God and the enemy. We need to be ready and alert. It will be vitally important to be more and more strategically connected. For instance this happened while at the summit:
  - God moving: US House of Representatives: Kevin McCarthy (R-Bakersfield, CA) Voted in as US House of Representatives House majority leadership after defeat of Eric Cantor in the primaries. Kevin is a strong Christian conservative.
  - Enemy attack: Ninevah, Iraq, 99% of Christians in Ninevah fled under threat of [ISIS islamic control and threat](#).
- Pray for Israel and the Peace of Jerusalem. Psalm 122:6 "Pray for the peace of Jerusalem: May they prosper who love you."

## Trumpet Call to the Nations Key Prayer Focuses:

**Israel:** From contacts in Israel, there is a heaviness over the nation with the abduction of the three teenage boys. Please pray for their safe return and uncovering of Hamas insurgents that propagated the kidnapping. The Isis Iraqi push towards its western borders is also putting Israel in danger of attack.

**Remember the 9th of Av**, when both temples were destroyed, is **August 5th** this year. It is historically a destructive day for Israel and the jews. A good source of historical information [click here](#)

**Northern Iraq:** Insurgents continue their aggression redefining Iraq's borders. They have overtaken Saddam Hussein's [chemical weapons complex](#). As of Sunday, June 22nd, Isis was closing in on Baghdad and tightening their grip on Western Iraq. Christians are continuing to be threatened and persecuted, families are being displaced and disrupted as they flee for refuge. **The month of Ramadan is June 28th-July 27th** and is always a tense time in the Middle East.

**Ukraine:** Fighting continues to rip through the country as peace treaties are followed by new aggression and threats. Pray for the following (direct from contacts in the Ukraine):

- Pray for Christians and churches to have the supplies they need to help families and orphans evacuate to "safe" places. Many stores without supplies.
- Pray for safe places to open to those evacuating war torn areas.
- Pray for safety of children particularly orphans

**Focus on Families:** In Ukraine and Northern Iraq, families are being particularly impacted. A large number of refugees are being torn from homes, the great majority of whom are children. There is a large migration of children from Mexico into the US, separated from families. This separation of the 4/14 children from families will greatly impact the next generation!

## Prayer Victory!

**Australia** Australians have been praying and fasting for a sexual purity breakthrough. They also joined with the USA led D-Day prayer storm for D-Day June 6th, 2014. On June 6, 2014, **Google**, a top internet search engine, announced it is stopping all advertisements for pornography as well as ads that link to sexually explicit websites. This is an example of the power of agreement. The Kingdom of light overcoming the power of darkness! For more information on this historic victory [click here](#).

## Testimony: Merging Missions and HOP

**Bakersfield, CA:** HOP and Mission 111 worked cooperatively as a missions team was sent to Ethiopia to the unreached Mao tribe. A communication system with the prayer room was set up so that nearly daily reports were shared. The team came back with reports of the "best trip ever." They saw first time healings in the bush, not only at the crusades. A young muslim boy was healed of epilepsy and came to know the

*the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped."*

(Is. 35:3-5)

Do not underestimate the power of your worship and prayer in His Presence...it can change history.

Lord. They also reported that unity was greatly improved. Thank you Lord. You are watching over your word to perform it!

## Trumpet Call: Prophetic Word

Pastor Armando Mauro; Palmi, Italy

The Lord is calling the church to enter in the spiritual travail. But before this happens, the church must have the "spiritual womb". A womb capable to receive the seed of the vision of God. In the Song of Songs we can consider how the Bridegroom admires something in the Shulamite, which has never been mentioned in the previous chapters: *"your belly is like a heap of wheat set about with lilies"* (Song of Solomon 7:2 b). After a continuous crescendo of true communion with her Bridegroom, in the midst of various trials and tribulations,

the Church has come to the true fullness, and now appears with a womb that is capable to receive God's plan and bring to light the wheat of souls salvation and the lilies of pure spiritual awakening.

Without the true womb of prayer, true holiness, true consecration and true spiritual maturity, the Church cannot conceive nor bring forth the will of God. In the book of the prophet Hosea, in Chapter 9, verse 11, the Lord speaks a terrible judgment against Israel because of His persistent sin: *"As for Ephraim, their glory shall fly away like a bird, from the birth, and from the womb, and from the conception.."* And this is what happens to the Church that falls in sin, in carnality and in apathy: she loses the glory of the spiritual womb and her religion becomes barren and gloomy, unable to generate in the spirit.

God's plan for His saints is to conceive the heavenly vision in their prayer womb. When this happens, the vision of God becomes an essential part of their whole being. They pray with that vision, they bear the burden of the vision, they suffer and live for that vision to the point where it will be fulfilled and fully manifested. In this last days, the Holy Spirit is seeking for men and women who are willing to a complete surrender to Him, to receive the seed of prophecy, participate in the suffering of God's love for the salvation of souls, for the awakening of the Church, for Israel and to give birth to the will of heaven on earth.

## Trumpet Call Initiative, October 8th-16th Bridging and building the nations in common purpose

We are mobilizing a key prayer and worship initiative during Feast of Tabernacles starting October 8th. This will be part of a **two year initiative** honoring God on His timeline (Passover and Feast of Tabernacles). It is a call to celebrate the Feast of Tabernacles this year during a "Tetrad" of red moons that will appear on the 1st day of Passover and Feast of Tabernacles 2014, 2015. This is the 8th tetrad since Christ's birth. 8 is the number associated with resurrection and new beginning.

- 10/08-16/2014 Feast of Tabernacles starts on 10/08/2014 and is the date of one of 4 red moons scheduled to appear on Jewish feast days. [Click here](#) for more information from NASA. The Feast of Tabernacles is a feast of ingathering, of [Faith, Joy and Love](#) and carries great meaning for Israel and for all believers. We invite you to join in this celebration of Christ and for the great harvest ahead.

**Vision:** Mobilize corporate gatherings in your houses of prayer, groups, cities, regions and nations that inspire worship, prayer, fellowship to celebrate the Feast of Tabernacles between 10/08-16/2014

**Purpose:** Honor God on His timeline, inspire unified focus, and encourage building and bridging of cities, regions and nations in common purpose.

**Plan:** Encourage corporate prayer/worship with celebration of the feast of Tabernacles during week of October 8-16th.

### The power of agreement in intensifying times is vital for breakthrough and kingdom

**advance.** This is the initial launch of an initiative to help bridge, and build the nations in prayer and worship, honoring God on His timeline. To join in this effort or for more information (Initiative guidelines are available.) [contact us](#).

### Want to start a house of Prayer? Here are some stories that will help...

**Capetown, South Africa:** My story related to starting a HOP in Cape Town South Africa came through random events of meeting Sean Feucht who heads up The Burn 24/7 globally. God divinely set this connection in place as my heart had been burning for a while in just wanting to gather local worship leaders to get together and worship our King. Differences, styles and denominations to be put aside as we worship Him!

We go by the phrase 'it's more caught than taught' so have for the past four years spread wide the heart of Burn through relationship building across our city. We have never forced anyone to get involved but know that our consistency builds credibility. So for over four years we have gathered once a month to Burn

Israel has always been an important prayer target for the house of prayer "Chiesa di Palmi" situated in Italy, whose choir "Corale de Palmi" has just released "Yerushalaim", the 4th album sung entirely in Hebrew. This collection of Jewish songs had a strong impact in one of the oldest Jewish communities in Europe, that of Rome. Through this album you can feel the intense love of the choir for Israel and his prayer for full restoration of God's people.

This is by no means an easy task but pioneering a move of God will take some force as we advance the Kingdom of God in our day and age. The joy is knowing that we are responding to the heart of God and join brothers and sisters from all over the world as we unite our voices and resound the sound of heaven here on earth... Let Your Kingdom come Lord...

Sheldon Kidwell, Burn 24/7 Capetown, South Africa

**Toronto, Canada:** My husband and I have been building and leading houses of prayer for 11 years now. How it all began was, as pastors, we were desperate for the Glory and Presence of God in our midst as well as longing for city transformation. One day, while in prayer, the Lord came upon me like a thick cloud of Glory. He spoke, "I want you to live, to teach, to do the Tabernacle of David." In my mind I was thinking, "What is the Tabernacle of David?" Yet, it was so clearly from the Lord I did not question actually doing it. I just had to figure out what to do! Hence, I studied the scriptures as it pertains to the Tabernacle of David as well as read anything I could to get my hands on.

The Lord showed John and I to start our HOP in our home with just the two of us giving our weekday mornings to Him in worship and Prayer. After a while we took it to the church and others joined us. We would have one person on guitar, then one on keyboard. The HOP progressed through many stages of development. We rented a store front facility in our city and had 24 / 7 prayer and worship for over 9 months. That is when the community and those from other churches joined us in mass. We started to see many miracles - prodigal sons and daughters coming home to Jesus, drug houses in our city either burning down or being discovered by police, the size of our church tripled, the mayor of our city asked my husband to help him start a Mayor's Prayer Breakfast, the top drug dealer who dealt drugs to high school students came to our church and was saved, the Presence of God increased, pastors in our city began to meet and pray in unity.

We have found the International House of Prayer in Kansas City an enormous resource. At one point I took our musicians and singers there and we all learned the Harp and Bowl model. Today we have 20 hours a week of live Harp and Bowl worship and intercession with full teams in the church we pastor - Catch the Fire Toronto Airport.

I would say to all looking to start a House of Prayer, listen to the voice of the Holy Spirit. He has a high agenda to build centers of sustained worship and prayer. As we following His leadership, He moves in power. Once He told me, "If you build it, they will come." And come they have: Musicians, singers and intercessors from all over the world have helped us build the House of Prayer. They too heard the 'sound' to build the House of the Lord in prayer and worship. If you start with what you have - even one guy on a guitar - and don't worry about who does not show up, just work with those who do. Not everyone gets the HOP at this point. They will someday. Because together the Bride of Christ will cry in unison, "Come, Lord Jesus, Come."

Until He Comes!

## Trumpet Call to the Nations Statement of Purpose:

**Build and connect houses of prayer through relationship to inspire and mobilize a movement...**

"Trumpet Call to the Nations" is the Transform World Celebration Challenge focus on building and connecting houses of prayer. It is about mobilizing and strengthening a movement, not interfering with already formed networks or churches, but rather building bridges and foundations of relational strength in and between established houses of prayer. Raising up new houses of prayer where they presently do not exist by encouraging, equipping and empowering local leadership. We believe this is a movement that God is birthing that is truly a bridal call to "prepare the way." May it strengthen and encourage all involved.

### Focus scriptures:

**Amos 9:11** "On that day I will raise up the tabernacle of David, which has fallen down, and repair its damages; I will raise up its ruins, and rebuild it as in the days of old."

**Nehemiah 4:19-20** "The work is great and extensive, and we are separated far from one another on the wall. Wherever you hear the sound of the trumpet, rally to us there. Our God will fight for us."

### Core Values:

- **Combine** corporate worship and prayer with purposeful intention of coming into the Presence of God with ultimate goal of 24/7 worship. Amos 9:11, Mt. 22:37
- **Connect** house of prayer through relationships. Mt. 22:39-40
- **Create** a culture of honor through a lifestyle of blessing. Phil 2:3, Romans 12:10
- **Collaborate** and partner with local churches and key ministries to advance His kingdom. Heb 10:24-25
