

## **Trumpet Call to the Nations: Restoring Ancient Paths**

### **Strategic prayer to 7 Churches of Revelation and Feast of Tabernacles in Israel:**

**September 6-26, 2013**

**Restoring Ancient Paths:** An international team just returned from a strategic prayer journey. "Trumpet Call to the Nations: Restoring Ancient Paths," to the 7 churches of Revelation and Israel. The purpose of the journey was to go back to the "roots" of the church, repent of the issues at each of the sites, and build an altar to the Lord with redeeming scriptures to re-align us with God's Word, "My house shall be called a house of prayer for all nations." With all that has been transpiring with government shut downs, threat of war, and earthquakes, we sensed we were truly in a "*set time*," a strategic strike, for the advance of God's Kingdom and His purposes in increasingly tumultuous times. God went before us and prepared the way. Each site had its own unique character and spiritual assignment. There are now 12 altars in the Middle East, one at each of the 7 churches in Revelation, and five strategically located in Israel. The altars in Turkey in particular were built on foundations of repentance with redeeming scriptures. All have dirt from Temple mount at their base, washed with waters from the Gihon Springs, sapphire stone in the center topped with rocks from the nations, and anointed with oil from the City of David, Jerusalem. Altars in Israel also had red wine from Mount Hermon (Psalm 133) on top.

**Amazing team:** As we journeyed, it became apparent that each team member was truly called and elected by God to be on the team. It was an amazing experience to see love and compassion build in the team to keep it cohesive and focused throughout the journey. Members were healed through compassionate prayers, even illnesses averted. God protected us through some long days and treacherous paths as people determined to press forward. It was a picture of the 1st church unfolding before our eyes as everyone gave as their was a need (Acts 2:44-47). We all emerged stronger and more connected than ever.

**Supernatural Encounters:** Every place we journeyed had its own flavor and unique character. We had a supernatural encounter at lunch outside Sardis, Turkey with a group of Chinese (mostly youth) who came into the restaurant we were eating at. They saw a bible on the table and came over to meet us. What happened next is best described as a "mini" revival as God's Spirit fell, the tables turned, and people blessed and prayed for each other. It was amazing! Not only that, the same group traveled a long distance to be with us for a time of worship at the Izmir House of Prayer on September 12th. We ran into them again twice in Jerusalem, at a Feast of Tabernacles Celebration at the Seven Arches Hotel, and again at an Isaiah 19 worship watch at Succat Hallel, a 24-7 house of prayer overlooking the Hinnom Valley in Jerusalem. It was an amazing connection with a clear message from God. We are in an hour when God is converging His church...as far as the East is from the West for such a time as this.

At the last altar, in Shiloh, we were privileged to have the former mayor of the city invite us to place an altar at the site of the ruins of the tabernacle of Moses where

most likely the "Holy of Holies" was located. There was not a dry eye as he declared Isaiah 60 over Highway 60. We surrounded the altar and in "one accord" sounded shofars to the North, South, East and West, for a great awakening.

**Clear Message:** A distinct and clear message emerged from the moment we started to the end of the journey. At nearly every altar, and nearly every day, we met up with a bride and groom. The Spirit was truly saying, "The Spirit and the bride say come!" In Istanbul, on our way to the House of prayer for a day of worship, we traveled down a city street lined on both sides with bridal shops for at least 3 blocks. It ended up in the "gold" district. Not only that, but one of the altars was at the Eastern gate in Jerusalem. As we walked towards the Eastern gate (outside the wall), we met the gardener for the Islamic graveyard. He was very friendly and invited us up to the wall of the Eastern gate, showing us a path through the graves. When we reached the gate, what did we find? A bridal bouquet! Amazing! The message is clear.

Key Scriptures:

- "Stand in the ways and see, and ask for the old paths, where the good way is, and walk in it; then you will find rest for your souls," Jeremiah 6:16

- "The key of the house of David I will lay on his shoulder; so he shall open, and no one shall shut; and he shall shut, and no one shall open," Isaiah 22:22.

- "My house shall be called a house of prayer for all nations," Isaiah 56:7, Matthew 21:13, Mark 11:17, Luke 19:46.

- "You also as living stones are being built up a spiritual house, a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ," 1 Peter 2:5.

- "On that day I will restore the tabernacle of David, which has fallen down, and repair its damages I will raise up its ruins and rebuild it as in the days of old," Amos 9:11.

- Isaiah 60: Spoken over Highway 60, Shiloh; and Mount Precipice, Nazareth

**Answered Prayer and Confirming Signs:**

**Confirming signs:** Amazing confirming sign of Israeli bride on Temple Mount [click here](#). The message is clear from the prayer journey. God is calling for and preparing His bride. May our lamps be ready, filled and lighted as God. The Trumpet is sounding...can you hear it?

"And the Spirit and the bride say, 'Come!' and let him who hears say, 'Come!' And let him who thirsts come, whoever desires, let him take the water of life freely." Revelation 22:17

**Major answered prayer and release of repentance:** Cairo, Egypt: Received a report from a church in Egypt of deep repentance for compromise, not taking a stand against adultery and many other things. Leadership and pastor fell on their knees and washed the feet of people in humility and repentance. The pastor cried and could not speak. There was no preaching. This occurred at one of the biggest most influential churches in Egypt. The first time this has ever happened. More Lord...may this spread across the globe.

## **Prophetic Word: "A vision concerning Syria and the Middle East"**

**Received by Rick Ridings in Jerusalem, 28 September, 2013**

In seeking to understand the recent decisions by America and Europe against military intervention in Syria, I saw the finger of the Lord reach down and hit a "Pause" button similar to that on a DVD player. I felt He was intervening to keep this conflict from spreading rapidly to the region and perhaps the world, and to grant a window of mercy to this region.

Then I saw a vision of Syria looking like an area that had experienced a forest fire, with mainly ashes remaining. However I then saw young seedlings begin to push up out of the ashes and grow into young trees. I saw a child or youth inside of each tree, as if the tree were shielding these children and youth. I felt this was a picture of Isaiah 61:3, the Lord giving "beauty instead of ashes...They will be called oaks of righteousness, the planting of the LORD for the display of His splendor".

My understanding was that these young trees springing up all over Syria were springing out of the ancient roots of the Kingdom of God in that land. It was a picture of Job 14:7-9 "At least there is hope for a tree: If it is cut down, it will sprout again, and its new shoots will not fail. Its roots may grow old in the ground and its stump dies in the soil, yet at the scent of water it will bud and put forth shoots like a plant".

I then saw similar seedlings, small trees springing up from ashes in Lebanon, Northern Iraq, Egypt, and Israel. Then I saw houses of prayer across the Middle East. Worship arose from harps, and prayer like incense from bowls. This incense of worship and prayer rose into the sky, and became like arms and hands reaching up to open the handles on heavenly doors. Behind the doors were waiting large numbers of angels who were released into action. The angels had boxes of fertilizer called "Miracle Grow", and poured this fertilizer on the young trees, causing them to grow very quickly. As more worship and prayer arose, larger angels were sent forth with larger boxes.

As I shared this with the people at our Tuesday morning worship and prayer time (where I had seen the vision), a leader came to the microphone and said that before I shared this vision, he received this verse concerning Syria: "Sir, the man replied, 'leave it alone for one more year, and I'll dig around it and fertilize it. If it bears fruit next year, fine! If not, then cut it down.'"

Let us pray fervently for these young trees to grow quickly and bring forth the fruit

of the Kingdom of God in Syria and the Middle East.

## **Trumpet Call Word: "Greatest need in the Church"**

**Pastor Armando Mauro, Palmi Italy**

"The greatest need of the Church of these last days is an awakening of deep communion with Jesus. To meet with Him must become once again the absolute and continuous priority of the saints of the Lord. When we cross the threshold of the heavenly Holy of Holies, we are pervaded by His holy presence, and so absorbed in Him that we forget about everything that surrounds us. In that place of spiritual encounter, we are so fascinated by Him that we even forget about ourselves. With the passing of time, the saints who have intimacy with Jesus become:

- more and more conformed to His glorious image
- increasingly attentive to His voice
- increasingly sensitive to His heart
- more and more deeply united to Him
- more and more spiritually mature,

• increasingly ready to enter the apiritual travail to bring forth the will of God  
In every nation, the Lord is gathering as host of saints with the weight of God within, who will rise in the authority of the Spirit and intercede in tears, so that the Lord will open up the heavens and pour a mighty outpouring that gives life to His work. The Holy Spirit blows! The flame of God burns! We pay the price, we pray and pray. Only a real encounter, persevering and confident with the Lord, will open a path to a mighty outpouring.

It's time to transform the world!"

## **New connections and houses of prayer developing:**

- China
- North Korea

Please pray for connections that developed while in Turkey and Israel for the need to connect in these difficult and challenging times. As times intensify, it is vitally important for relationships and connections in and between houses of prayer/prayer groups to grow, bridge, and build the nations in prayer for Kingdom advance...a bridal call to the body of Christ!

*"I do not pray for these alone, but also for those who will believe in Me through their word; that they all may be one, as You, Father, are in Me, and I in You; that*

*they also may be one in Us, that the world may believe that You sent Me. And the glory which You gave Me I have given them, that they may be one just as We are one." Jesus (John 17:20-22)*

**Trumpet Call to Nations Key Prayer Focuses:** With the increasing devastations and shakings we are experiencing, it is vital for the houses of prayer to be more effectively connected on the wall. Recent occurrences:

**Pakistani Earthquake:** A 7.7 earthquake rocked SW Pakistan, Thursday, September 26th. Thus far 356 reported dead with over 600 injured. Over 21,000 houses destroyed. Pray for the oak

**Syrian Refugees:** We encountered Syrian refugees at the Istanbul Airport. Pray for safety, supply and spiritual breakthrough, strategies to reach out to them.

**Istanbul, Turkey and Middle East:** The Middle East and Turkey are going through immense shaking. Please pray the Lord brings a great harvest through it. Pray for the workers for the harvest and projects to succeed and bear fruit. Please pray that the Lord protects and designs each project according to His perfect will. Please pray the exact people He chooses take the responsibilities He delegates.

-New servants of the Lord need to be appointed for new projects. Also please pray for the protection of people serving so fervently in the whole of the Middle East.

-Please pray for brother in Afghanistan. He is planting churches there under immense danger and persecution, even torture. Please pray for Afghanistan.

-A brother from an Eastern country who went through torture because of his faith has escaped to Turkey. He is having serious health problems. Please pray for the Lord's healing and for the Lord's provision for this family and for his protection. They have received a warning that a radical Islamic group plans to assassinate him.

-Please pray for young man (name withheld) who is under a lot of persecution for having become a Christian. Please pray that he grows stronger in his faith as he is also facing great temptation at this time in the face of great hardship.

Mujde Church of Istanbul and Jubilee Out-reach Center

**Europe:** For Europe, there is only ONE really important thing we have to do to get Europe transformed to its former glory and beyond: we have to lift Him up in praise and worship. It's only the glory of Jesus Christ that can change Europe. We have to receive the Cornerstone back to its right place or our houses will be left desolate from Him (Matthew 21 and 23). He says in John 12:32, "But I, when I am lifted up from the earth will draw all men to myself." This is the only way even today, as He is lifted up to the cross and up to heaven and by that has drawn all men to Himself, also as we lift Him up in praise and worship giving Him glory in our nations, He will draw all men to Himself.

There is enough temple service in the house of God in Europe, what we need now is the altar (tabernacle) service, the ministry to Him (Ezekiel 40:45-46). We need still more the continuous lifting up His Name above all other names in our continent, more houses of 24/7 ministry to Him, in order to get His glory to come to our nations!"

-PH, Finland

**Burkina Faso:** Pray for debates regarding upcoming elections. There is hot debate on rules for the upcoming presidential elections for 2015. Opposition leaders think this is how the head of state will use to change the rules to again be a presidential candidate for 2015.

## **Trumpet Call to the Nations Statement of Purpose:**

### **Build and connect houses of prayer through relationship to nurture a movement...**

"Trumpet Call to the Nations" is the Transform World Celebration Challenge focus on building and connecting houses of prayer. It is about mobilizing and strengthening a movement, not interfering with already formed networks or churches, but rather building bridges and foundations of relational strength in and between established houses of prayer/interested churches/networks and helping assist new houses of prayer where they presently do not exist. We believe this is a movement that God is birthing that is truly a bridal call to "prepare the way." May it strengthen and encourage all involved. Focus scriptures:

**Amos 9:11** *"On that day I will raise up the tabernacle of David, which has fallen down, and repair its damages; I will raise up its ruins, and rebuild it as in the days of old."*

**Nehemiah 4:19-20** *"The work is great and extensive, and we are separated far from one another on the wall. Wherever you hear the sound of the trumpet, rally to us there. Our God will fight for us."*

### **Core Values:**

- Encourage a lifestyle of personal and corporate intimacy with God
  - Build through relationships
  - Honor Israel and Isaiah 19 vision
- On the wall and building,
